Your child has been randomly assigned a group (listed below) for the mini sessions on Friday, September 6. **This is not a class list.** Students placed together in the list below will not necessarily be together when the class lists are set on Friday, September 13. In the mornings starting Monday, September 9 to Friday, September 13 students will all line up behind the kindergarten cone at the front of the school. Students will then be led into the school by the kindergarten teachers where they will be divided into groups. Welcome to Kindergarten! This year we will be spending the first two weeks of school getting to know all of the incoming kindergarten students. The Kindergarten Teaching Team will spend time with all students to better understand the various personalities and needs. Students will be spending time in all Kindergarten classrooms throughout the 2 weeks. Taking the time to get to know all of the Kindergarten students before setting class lists will help our Kindergarten Team to create balanced classes which take into account everyone’s individual needs. You will be notified on Friday, September 13 of which class your child will be in for the remainder of the school year. An information package specific to your child’s classroom teacher will be sent home on this day with more information regarding specific classroom procedures and routines.
