Dear Families,

Thank you for your incredible support so far! We're thrilled to share that we've already reached **half of our goal** for the food drive. With **7 school days left**, let's keep the momentum going and make an even bigger impact for our community.

Every item counts—if you are able, please consider bringing in non-perishable food to help us reach our target. Together, we can make a real difference for those in need!

Thank you for your generosity,
Leary IAT Food Drive Team
