We acknowledge the lasting historical and ongoing impacts of the colonized education system for Indigenous families. We strive to honour, acknowledge and recognize the rights and voice of Indigenous families and communities, knowledges and teachings. We are open to working together to support the well-being of students.

PURPOSE:

To provide guidelines for students, staff, and families that align expectations with District Values and B.C. Human Rights Code. We believe in a safe and caring learning environment free from acts of discrimination in any form including ethnicity, gender, gender identity or expression, religious beliefs, marital or family status, physical or mental disability, sexual orientation, ancestry, or national origin.

We respond to incidences and offer support to foster a positive learning environment. This is aligned with [Policy 310: Student Expectations, Rights and Responsibilities.](#)

We provide a learning and working environment where these core values are central to all that we do.

Equity

We commit to ensure that everyone receives the required support and experiences they need to be successful and fulfill their potential.

Kindness

We demonstrate caring, compassion and empathy towards everyone in order to create a spirit of connectedness in our community.

Inclusion

We believe that meaningful inclusion is a right and we support all learners to feel safe, supported and connected through programming that promotes diversity and personalization.

Collaboration

We develop strong relationships and achieve the shared goals in our Strategic Plan through a framework of trust and respect.

Innovation

We will continue to be curious, creative and open to new ideas so that we can produce high-quality learning outcomes across the system.

Together at school, in the community and online, we are working towards learning:
